EXPERIENCE

Organizer

Machine Learning Bangladesh (Google AI Community Network), Dhaka, Bangladesh — Sep 2023 – Present

- Grew a regional TensorFlow user group (TFUG North Bengal) into a national AI community of 7,000+ members; renamed Machine Learning Bangladesh in July 2024.
- Organized Build With Gemma @Bangladesh (July 2026), part of Google DeepMind's global series: 82 teams from 42 universities, 47 projects submitted, judged on Kaggle.
- Led Build With AI Hack Days, a free campus hackathon series with MLH and Google for Developers, at 7 venues including UITS, DIU, Rajshahi University, RUET and BAU, followed by Hacktoberfest Hack Days in Dinajpur and Dhaka.
- Co-hosted ML Olympiad 2024 with GDG Dhaka (353 entrants, featured on the Google Developers Blog) and the 2026 Kaggle Community Olympiad: Dhaka Breath Index (26 teams, 333 submissions).
- Partnered with HerWILL on the Tech For Her Hackathon 2026, covered by The Daily Star and The Business Standard; secured support from MLH, Google for Developers, DataCamp, O'Reilly and EMK Center.

Founder and Head of Programs and Partnerships

Cedar Initiative, Bangladesh — Sep 2025 – Present

- Founded a youth-led nonprofit for climate action, education and civic engagement that has reached 4,000+ people.
- Ran CS Ed Week 2025 in Rangpur and Ushnota Abhijan 2025 (1,000 clothes donated, Karail slum fire response); leads partnerships, budgets and the annual finance report.

Chapter Director

CMX Hub Dhaka — 2025 – Present

- Launched and runs the Dhaka chapter for community professionals: meetups, knowledge sharing and career development.

Junior Program Manager

Early-stage startup (stealth) — Jan 2026 – Jun 2026

Communications Lead

Google Developer Group Dhaka, Dhaka, Bangladesh — Aug 2023 – May 2026

- Ran outreach, promotion and social media for flagship developer events averaging 400+ attendees.
- Secured and managed sponsors including GitHub, JetBrains and Sticker Mule.
- Grew monthly active engagement by 40% through an ambassador program and multi-channel campaigns. Previously Ambassador (Nov 2022 – Aug 2023).

Community Manager, Growth
Elevate Pay (YC W22), Remote — Sep 2025 – Nov 2025

- Supported user onboarding and account verification to resolve user issues faster.
- Researched markets and partners, sourced vendors for business-development events and planned digital campaigns.

Marketing Intern (Volunteer)
American Red Cross, Cedar Rapids, Iowa, USA — Feb 2025 – May 2025

- Built a local-business campaign to recruit volunteers; posted roles to targeted zip codes and reported weekly on social performance.

Programs and Events Intern
Cedar Rapids Metro Economic Alliance, Iowa, USA — Dec 2024 – Apr 2025

- Helped prepare the Downtown Farmers Market and Market After Dark season for 80+ vendors: approvals, deposits, scheduling and materials.

Founder (Advisor since Aug 2026)
UniDevs, Bangladesh — Dec 2023 – Present

- Built a student developer community bringing computer science to rural and semi-urban Bangladesh; 200+ students supported.

Influencer and Community Champion
Google Crowdsource, Bangladesh — Jul 2020 – Dec 2024

- Hosted 20+ training events, onboarded 1,000+ contributors and trained 400+ people.

Earlier roles

- Student Ambassador, AngelHack Campus Hub, Government Shah Abdur Rouf College (Aug 2021 – Nov 2022)
- Chapter Community Manager, Codecademy Chapters, Rangpur (Nov 2021 – Nov 2022)

EDUCATION

B.Sc. in Computer Science and Engineering
United International University, Dhaka, Bangladesh — 2023 – 2028 (expected)

Certificate in Project Management
Kirkwood Community College, Cedar Rapids, Iowa, USA — Aug 2024 – May 2025

- U.S. Department of State Community College Initiative scholar. Dean's List, GPA above 3.33, 75.5 hours of community service.

Higher Secondary Certificate, Science
Government Shah Abdur Rouf College, Rangpur, Bangladesh — 2019 – 2022

AWARDS

Community College Initiative Scholar, U.S. Department of State (2024 – 2025)
