Shahriar Azad Evan

I design and run programs for developers and young people in Bangladesh: national Kaggle competitions, campus hackathons, and the communities that keep going after the event ends. Since 2020 I've hosted **42 events** and helped grow **Machine Learning Bangladesh** to more than **7,000 members**.

WHERE I'VE WORKED

COMMUNITY LEADERSHIP

Organizer — Sep 2023 – now

Machine Learning Bangladesh · formerly TensorFlow User Group North Bengal · Google AI Community Network

- Grew a regional TensorFlow user group into a national community of 7,000+ members, renamed ML Bangladesh in July 2024.
- Ran 20+ events, including ML Olympiad 2024, Build With Gemma @Bangladesh and the Build With AI Hack Days series.
- Secured support from MLH, Google for Developers, the Gemma team, DataCamp, O'Reilly and EMK Center so events stay free for students.

Founder · Head of Programs & Partnerships — Sep 2025 – now

Cedar Initiative · Bangladesh

- Started a youth-led nonprofit for climate action, education and civic engagement that has reached 4,000+ people.
- Leads partnerships and budgets, and publishes an annual finance report. ML Bangladesh runs as part of Cedar's STEM programs.

Communications Lead — Aug 2023 – May 2026

Google Developer Group Dhaka

- Ran outreach, event promotion and social media for flagship developer events averaging 400+ attendees.
- Brought in and managed sponsors including GitHub, JetBrains and Sticker Mule.
- Grew monthly active engagement by 40% through an ambassador program and multi-channel campaigns.

Previously Ambassador, Nov 2022 – Aug 2023.

Chapter Director — 2025 – now

CMX Hub Dhaka

- Launched and runs the Dhaka chapter of CMX for community professionals: meetups, knowledge sharing and career development.

Founder, now Advisor — Dec 2023 – now

UniDevs

- Founded a student developer community bringing computer science to rural and semi-urban Bangladesh through hackathons and mentorship, supporting 200+ students. Handed leadership to the student team in Aug 2026.

Influencer & Community Champion — Jul 2020 – Dec 2024

Google Crowdsource

- Hosted 20+ contribution and training events, onboarded 1,000+ contributors and trained 400+ people. Reached level 18 and was featured at the Influencer Huddle for the Indian subcontinent.

Student Ambassador, AngelHack — Aug 2021 – Nov 2022

Led the AngelHack Campus Hub at Government Shah Abdur Rouf College.

Chapter Community Manager, Codecademy — Nov 2021 – Nov 2022

Ran online programming workshops for students in rural Rangpur.

Facilitator, #IAmRemarkable — 2022 – now

4+ workshops on self-advocacy for 300+ participants.
